To whom it may concern,

I fully endorse the services of Jimmy Ndung'u as one of the most competent production and traffic managers I've worked with in my 10 years experience in advertising.

We worked together at Express DDB from 2014 to 2016 and among his many traits that I admired, his eye for detail and yearning for excellence stood out for me the most. he was able to juggle a no nonsense attitude while maintaining a level of respect when dealing with everyone involved.

Beyond his vast knowledge of the production process and working with big brands, Jimmy has a creative mind which helps a big deal when it comes to emergency problem solving.

This highly raises his contribution level in any boardroom he sits in.

For this reasons, I'm happy to recommend the services of Filamu Entertainment Limited. If you have any questions, please feel free to contact me.

Sincerely,

Benjamin Wanjohi,
